

MEMORIAL TIME LINE

A memorial takes about 8 to 12 weeks for completion from receipt of order, depending on the length of time the Church or Cemetery Authorities permission takes to obtain. Heavily detailed or memorials with special requirements may take longer.

The sequence of events for a memorial is as follows:

Approximately 12 weeks – possibly sooner if we have stone in stock – please ask for details

We would strongly recommend a visit to our showroom/workshops where you can view a number of stone materials and a range of designs prior to placing your order.
